**PROCEEDINGS**

Counsel appear for initial case management conference. A very brief description of the technology at issue is provided. The Court reminds counsel that this matter could be referred to a Magistrate Judge, upon the parties' stipulation, for trial and all other purposes.

Defense counsel expresses concern regarding the number of patents, products and theories that may be advanced by Finjan that will interfere with the mandate of Rule 1 to secure the just, speedy and inexpensive determination of every action and proceeding. Argument from both sides is heard briefly, and counsel are directed to submit simultaneous competing 10-page briefs in support of their positions by August 28, 2018.

The possible appointment of a technical advisor is discussed. The Court would be open to that possibility upon stipulation of the parties.

**REFERRAL: The matter is referred to a Magistrate Judge (random) for discovery.**
